Proven track record in Higher Education services, including implementation, upgrades, business consultancy, cloud migration, staff augmentation, custom development, quality assurance, and managed services

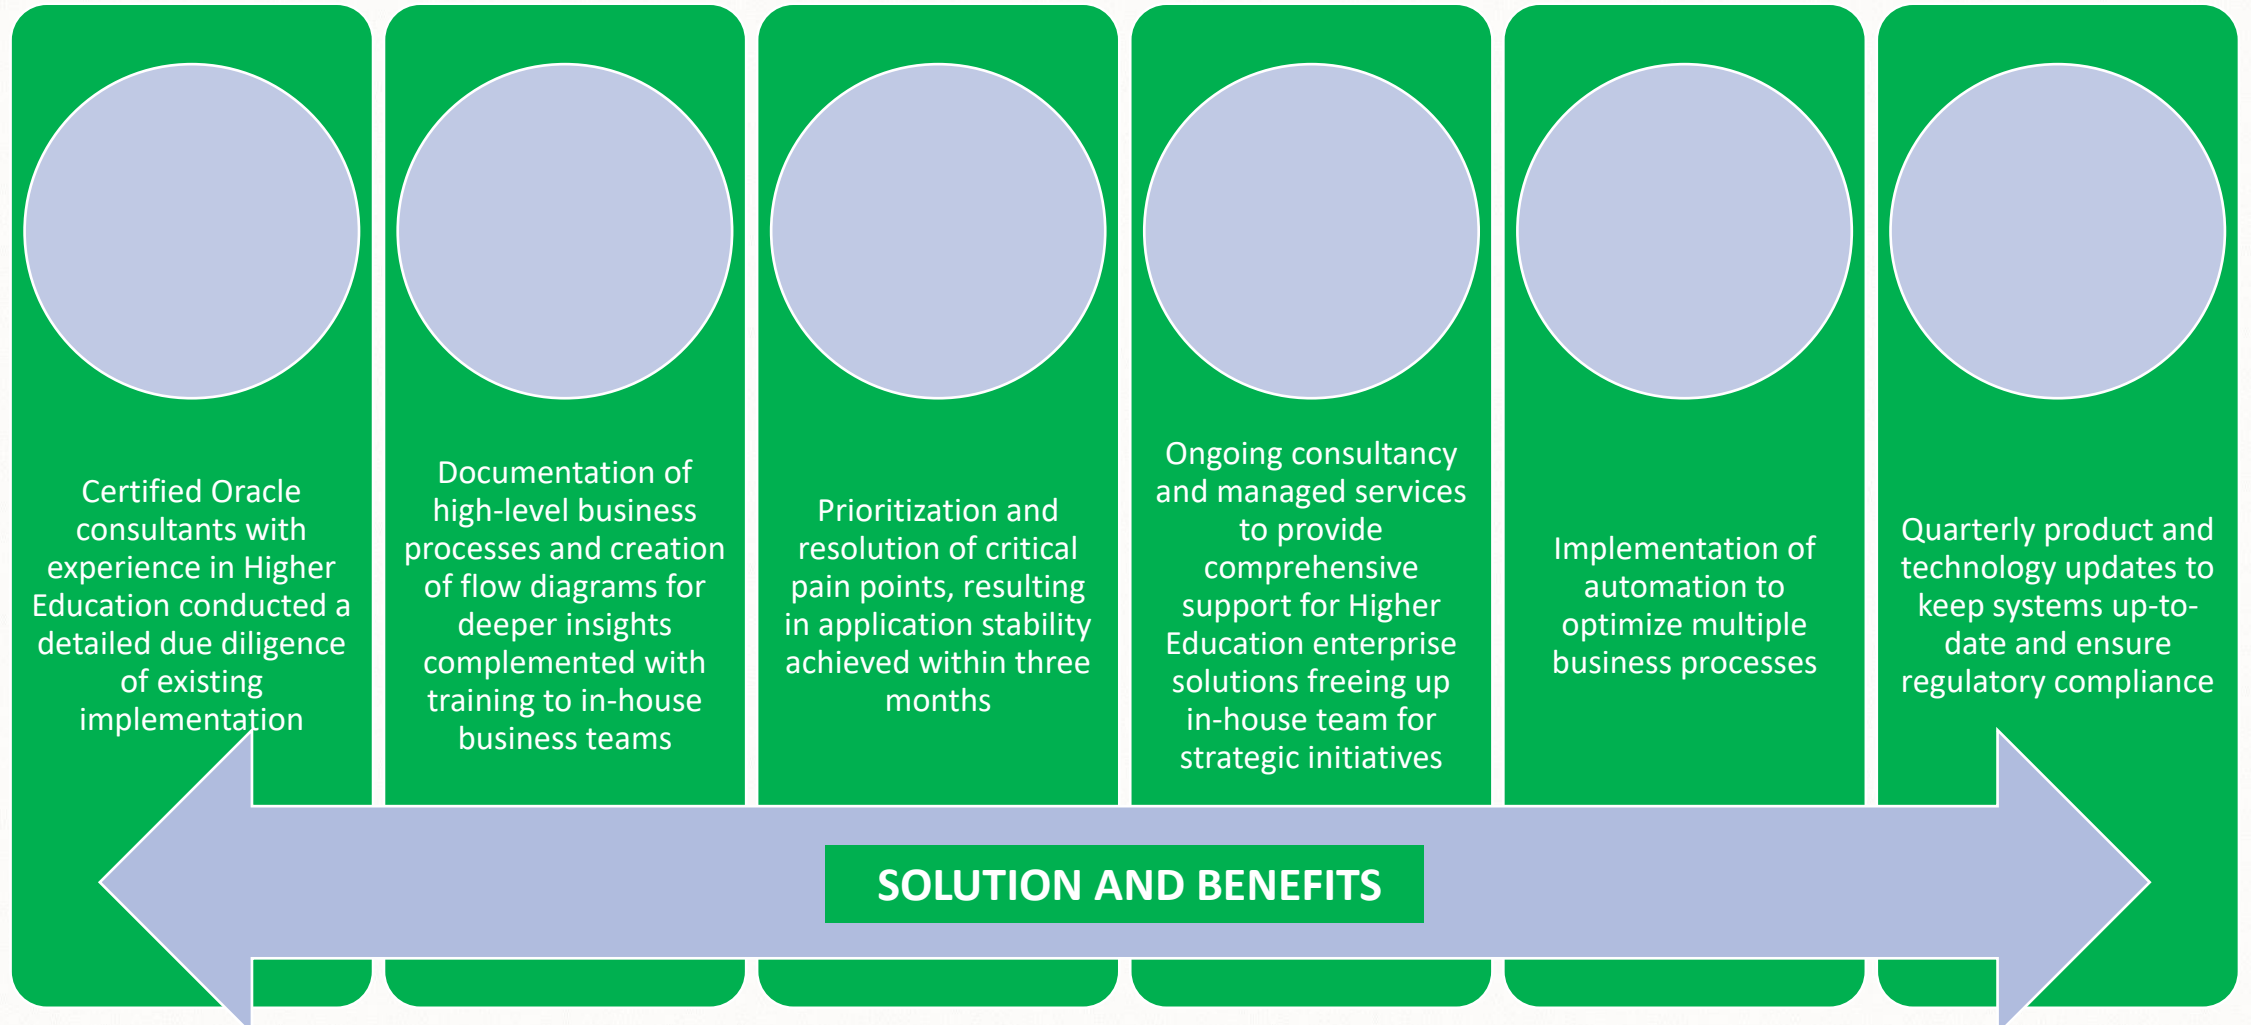

# Celebrating a recent Success: Stony Brook University – (Faculty Staff Association)

Stony Brook University is a public research university based in Stony Brook, New York. The University is one of the State University of New York system's two flagship institutions.

*Our performance led to the University awarding a cloud migration project in 2023 to a large multinational vendor partnering us!*
